

MARCH WINNER

75 Red Buckets of Surprises!

“ I have been in the role of UK Stores manager since July 2019. We have always used Windmastic paint, as there has never been a problem with any aspects of the ordering process, i.e., delivery or supply. Also, clients specifically request it, which is why we always buy a pallet at a time to ease logistics, expiry date, and cost, so why would we go anywhere else? ”
