

APRIL WINNER

# 75 Red Buckets of Surprises!

“ In appreciation of your contributions to our overall business, C&S Paint Center recognizes the support and service that Emma Lowery and all the customer service team at Carboline provides its customers. Emma and team have been a tremendous help over the past year during very challenging times to say the least. From inventory supply difficulties and pricing adjustments, to your implementation of a new operating system, Emma has shown exemplary professionalism and not complained or vented about any issues - even during the times when we weren't as effective at masking our frustrations! Emma and her team are the best of the best customer support professionals in the industry.

On another note, thank you Emma and the Carboline team for your ongoing support of Military Appreciation Day here in Eastern North Carolina! ”

John Seelinger
